

Who Knows Song Lyrics

Kho gaya vichara dil who knows
Hona ae guzara kivein who knows
Tell me what you thinking baby who knows
Haan haan haan haan

Kho gaya vichara dil who knows
Hona ae guzara kivein who knows
Tell me what you thinking baby who knows
Haan haan haan haan

Ankhiyan ch paya maskara si
Husn da chadheya para si
Chhaddeya na koyi vi chara mere kol

Sunn husan diye sarkare
Na jhoothe laayi laare
Tera ki khayal mere baare hunn bol

Kho gaya vichara dil who knows
Hona ae guzara kivein who knows
Tell me what you thinking baby who knows
Haan haan haan haan

Kho gaya vichara dil who knows
Hona ae guzara kivein who knows
Tell me what you thinking baby who knows
Haan haan haan haan

I've been feeling
Kinda stress out lately
Want you come around
To save me lady

Tere jehi koi hor na honi
Out rap baby you drop me crazy

Jind tere naa main laati kudiye
Gaddi ghar val paati kudiye
I can pickup on your vibe now kudiye
Gaddi vich behni

Ho ankhian ch paya maskara si
Husn da chadheya para si
Chhaddeya na koyi vi chara mere kol

Sunn husan diye sarkare
Na jhoothe laayi laare
Tera ki khayal mere baare hunn bol

Baby you're my shiny naar
Jivein hundi chevy car
Mere yaaran nu pata tu kithe rehni
Par dassde ni saale mere yaar

Mysterious girl
Main tere layi serious girl
Jadon chevy ch tu meri baithe
We go fast and furious girl

Peg pahunch hath tera haula ae
Tu patli patang patola ae
16 inch da mera dola ae
Aur gale mein 50 tola ae

Chalo main gall te aune
Kithe long drive te jaune
Baahvan vich baahvan paune aa
So dee da geet wajaune aa

Kho gaya vichara dil who knows
Hona ae guzara kivein who knows
