

Without you without you..

Everything was easy..
When you were around me..
And are really feeling without you..
Is this the life when u left me..
Are really feeling without you..

You came and done change my life..
Oh baby now i felt alive..
Just give me another day with u..

Main tere lyi duniya chhadiya..
Tere lyi door apne kare..
Ve main tainu kinna chauni-an..

Eh galk teri soch ton pare..

Ve saah bin saar han sakdi..
Tere bin pall vi naa sarre..
Ke main tainu kinna chauni-an..
Ve gall teri soch ton pare..

Everything was easy..
When you were around me..
And are really feeling without u..
Is this the life when u left me..
Are really feeling without u..

You come and done change my life..
Oh baby now i felt alive..
Just give me another day with u..

Main tere lyi duniya nu chhadiya..
Tere lyi door apne kare..
Ve main tainu kinna chauni-an..
Eh gall teri soch ton pare..

Tere lyi jazbaat te jani..
Oh sonne chandiyaan ton vi khare..
Ke main tainu kina chauni-an..

Eh gall teri soch ton pare..

Never felt so lost n..

Things will never be the same again..

All i wish i had a time machine..

Now when i am back with u..

We can finally see things through..

And i promise i wont be without you..

Main tere layi duniya nu chaddiya..

Tere layi door apne kare..

Ve main tainu kina chauni-an..

Eh gall teri soch ton pare..

Ve sahan bin saar han sakdi..

Tere bin pall ve naa sarre..

Ke main tainu kina chauna an..

Ve gall teri soch ton pare..

Without you..
