

Wo aurat hai jo insano ki  
Unchi shaan karti hai  
Jarurat ho to apna pyar bhi kuban karti hai  
Agar sansar mein aurat na hoti  
To insano ki ye ijjat na hoti  
Agar sansar mein aurat na hoti

To insano ki ye ijjat na hoti

Jaha wale ne duniya ko racha ke  
Anokha maan duniya ko diya hai  
Magar aurat ki hasti ko bana ke  
Khud apne naam ko ucha naam kiya hai  
Agar mohabbat ko vo paida na karta  
To mohabbat ki koi kimat na hoti  
Agar sansar mein aurat na hoti  
To insano ki ye ijjat na hoti  
Agar sansar me aurat na hoti  
To insano ki ye ijjat na hoti.
