

Wo dekho udar chand
Nikala gagan me
Idhar aa gayi chandani
Muskurati baharo ki
Rangeen ye muskurahat
Dilo me umange ki duniya basati
Wo dekho udar chand

Na jane nashad cha raha hai
Ye har baat par pyar
Kyu aa raha hai
Ye har baat par pyar
Kyu aa raha hai
Na apni khabar hai
Na sudh hai kisi ki
Na apni khabar hai
Na sudh hai kisi ki
Yehi bekhudi dil ko dil se milati
Wo dekho udar chand

Nayi aas ke phul
Khilne lage hai
Ke arman dil me

Machalne lage hai
Ke arman dil me
Machalne lage hai
Udar koi karta hai
Hans ke ishare
Udar koi karta hai
Hans ke ishare
Idhar laaj ghunghat
Me aankhe chupate
Wo dekho udar chand.
