

Ye daulat bhi le lo, ye shohrat bhi le lo
Bhale chin lo mujhse meri jawani
Magar mujhko louta do bachpan ka sawan
Wo kagaz ki kashti wo barish ka pani

Mohalle ki sabse nishani purani
Wo budhiya jise bachche kehte the nani

Wo nani ki baato me pariyo ka dera
Wo chehre ke jhuriyo me sadiyo ka phera
Bhulaaye nahi bhul saqta hai koi
Wo choti si raate wo lambi kahani

Kadi dhup me apne ghar se nikalna
Wo chidiya wo bulbul wo thithli pakadna
Wo gudiya ki shaadi pe ladna jhagadna
Wo jhulo se girna, wo gir ke sambhalna
Wo pithal ke challo ke pyaare se thofe
Wo tuti hui chudiyo ki nishaani

Kabhi ret ke uche tilo pe jana
Gharode banana, banaake mitana
Wo maasum chahat ki tasvir apni
Wo khwabo khilu ki tabir jagir apni
Na duniya ka gham tha na rishto ke bandhan
Badi khubsurat thi wo zindgani.
