

Ek ehsaas hai ye pyar jise kehte hai
Jism aur rooh ka ikraar jise kehte hai
Kalp ke dard ka izhaar jise kehte hai
Dil ki girti huyi deewaar jise kehte hai
Ek ehsaas hai ye pyar jise kehte hai
Na jaane ye kiska ehsaas hai

Bahot hi bewafa lagne laga hai
Bahot hi bewafa lagne laga hai
Wo kya hai aur kya
Wo kya hai aur kya lagne laga hai
Bahot hi bewafa lagne laga hai

Kisi insaan se tum kyun maangte ho
Kisi insaan se tum kyun maangte ho
Kisi insaan se tum kyun maangte ho
Tumhein kya woh khuda lagne laga hai

Tumhein kya woh khuda lagne laga hai
Wo kya hai aur kya
Wo kya hai aur kya lagne laga hai
Bahot hi bewafa lagne laga hai

Kasam khane laga hai jo wafa ki
Kasam khane laga hai jo wafa ki
Kasam khane laga hai jo wafa ki
Mujhe woh bewafa lagne laga hai
Mujhe woh bewafa lagne laga hai
Wo kya hai aur kya
Wo kya hai aur kya lagne laga hai
Bahot hi bewafa lagne laga hai

Bahot hi bewafa lagne laga hai
Wo kya hai aur kya
Wo kya hai aur kya lagne laga hai
Bahot hi bewafa lagne laga hai
Bahot hi bewafa lagne laga hai.
