

Wo mohabbat wo wafaye
Kis tarah ham bhul jaaen
E gam e dil ji rahe hai
Tujhako de kar ham
Duaaen wo mohabbat

Jab se lutaa gardisho ne
Ishq tanahaa rah gaya hai
Unaki yaado ke alaavaa
Ab yaha kya rah gaya hai
Ab yaha kya rah gaya hai
Hamase ruthaa hai
Khuda bhi kisako
Apna gam dikhaaen

Wo mohabbat wo wafaye
Kis tarah ham bhul jaaen
Wo mohabbat

Naam unakaa gunjataa hai
Ab bhi dil ki dhadakano me
Pad gai hai zindagani
Haay kitani ulajhano me
Haay kitani ulajhano me
Kaash khwabo me wo
Aakar haalat e dil dekh jaaen
Wo mohabbat wo wafaye
Kis tarah ham bhul jaaen
Wo mohabbat

Chand aaho kaa sahaaraa
Chand ashqo par guzaaraa
Ye bhi koi zindagi hai
Ai mere parvardigaara
Ai mere parvardigaara
Khud hi bakhshaa pyaar
Tune khud hi hamako di sazae
Wo mohabbat wo wafaye
Kis tarah ham bhul jaaen
E gam e dil ji rahe hai
