

Woh chaand muskaaya
Sitaare sharmaaye
Hamara bhi dil na machalane lage
Jo haath mein hamaare
Yeh haath hai tumhara
Diye se nigaaho mein jalane lage
Woh chaand muskaaya

Aa ha ha ha
Thandi thandi chanda ki kiran
Jalati jalati saanson ki hawa
Kya naam hai iss mausam ka sanam
Pyaase hai magar phir bhi hai nasha
Aane lagi angdaayi ke
Jaise koyi rut badalane lage
Woh chaand muskaaya
Sitaare sharmaaye

Hamara bhi dil na machalane lage
Woh chaand muskaaya

Khoya hai kuchh aisa aaj sama
Behake behake uthate hai kadam
Yu pyaar bhari inn raahon mein
Chalate hi rahenge ghum ke hum
Hum jo chale milake gale
Khili chaandani rang uchhalane lage
Woh chaand muskaaya
Sitaare sharmaaye
Hamara bhi dil na machalane lage
Jo haath mein hamaare
Yeh haath hai tumhara
Diye se nigaaho mein jalane lage
Woh chaand muskaaya.
