

Wo chaand
Wo chaand nahi hai
Dil hai kisi deewane ka
Dil hai kisi deewane ka
Wo chaand

Aakash jise kahati duniya
Aakash jise kahati duniya
Wo naam hai ik virane ka

Deewane ke dil ki hi tarah
Deewane ke dil ki hi tarah
Wo raato jalata rahata hai
Is nid ki maati nagari me
Wo kuchh na kisi se kahata hai
Hai us me shamaa ki bechaini
Hai us me shamaa ki bechaini
Aur pyaar bhi hai paravaane ka

Jab se pahal se gaya hai dil
Kisi pahal nid nahi aati
Jo surat dil men samayi hai
Jo surat dil men samayi hai
Wo surat dil se nahi jaati
Wo surat dil se nahi jaati
Aao aanchal patalaa jaao
Kya raat hai dil me samane ka
Kya raat.
