

Wo jo auron ki khatir jiye mar mite  
Sochti hoon unhe kya mila kya mila  
Wo jo auron ki khatir jiye mar mite  
Sochti hoon unhe kya mila kya mila  
Kya mila kya mila

Jaise baadal barasta huaa  
Pyaas jag ki bujhata raha  
Jaise baadal barasta huaa  
Pyaas jag ki bujhata raha  
Thes tann mann ke liye  
Apni khushboo lutata raha  
Tum bhi apna jeevan lutati rahi  
Par pyat tumhein kis ka mila  
Wo jo auron ki khatir jiye mar mite  
Sochti hoon unhe kya mila kya mila

Khwaab dekhe humaare liye  
Ek pal bhi agar so gayi  
Khwaab dekhe humaare liye  
Ek pal bhi agar so gayi  
Tum hawa ka ek parivaar ki  
Sab ki fikron mein tum kho gayi  
Tum hawa ka ek parivaar ki  
Sab ki fikron mein tum kho gayi  
Tum na biyaahi na haatho mein mehndi rachi  
Aur na maathe ko tika mila  
Wo jo auron ki khatir jiye mar mite  
Sochti hoon unhe kya mila kya mila

Ek aurat ho meri taraha  
Phir bhi lagti ho devi mujhe  
Ek aurat ho meri taraha  
Phir bhi lagti ho devi mujhe  
Apna sabkuchh mitaya magar  
Ik nayi zindagi di mujhe  
Apna sabkuchh mitaya magar  
Ik nayi zindagi di mujhe  
Har andhere mein jalti  
Pigalti rahi dil tumhein deep jaisa mila

Wo jo auron ki khatir jiye mar mite  
Sochti hoon unhe kya mila kya mila
