

Sapno main aake chura
Jaye dil ninde jo urata hai
Khwabon main milta hai chupke
Mujhe ninde jo churata hai
Wo kaun hai wo kaun hai

Sapno main aake chura
Jaye dil ninde jo urata hai
Wo kaun hai wo kaun hai
Wo kaun hai wo kaun hai
Maine kabhi dekha nahin
Uska chehra magar
Phir bhi dil ko uska ehsaas hai

Maine kabhi dekha nahin
Uska chehra magar
Phir bhi dil ko uska
Ehsaas hai hai hai hai
Sapno main aake chura
Jaye dil ninde jo urata hai
Wo kaun hai wo kaun hai
Entzaar main bhi kya maza hai
Pyar ka hasin sa nasa hai
Chaa raha hai jo duniya pees dil pe

Dil ki aaj ek ajnabi se

Kah raha hai dil mera kisi se
Jano lo mujhe sapno
Main apno main mera
Ye dil mera kahan
Jo use chura ke le gaya
Jaane wo milega aub kahan

Maine kabhi dekha
Nahin uska chehra magar
Phir bhi dil ko uska
Ehsaas hai hai hai hai
Maine kabhi dekha
Nahin uska chehra magar

Phir bhi dil ko uska
Ehsaas hai hai hai hai

Wo kaun hai wo kaun hai
Wo kaun hai wo kaun.
