

Aaye kaha bhagwan se pahle
 Kisi dhanwan ka naam
 Us mandir ke dwar khade
 Khud roye karishan aur raam
 Dhanwan ko pahle mile
 Bhagwan ke darshan
 Darshan ko tarashta rahe
 Jo bhakt ho nirdhan
 Ye dakshina ki reet
 Ye pando ke chalawe
 Dukano mein bikte hue
 Mandir ke chadawe
 Aise hi agar, aise hi agar
 Dharam ka wyapar chalega
 Bhagwan ka duniya mein
 Koi naam na lega
 Aise jagah pe jake
 Tu kuchh bhi na payega
 Bhagwan aisa mandir
 Khud chhod jayega
 Chhod jayega chhod jayega

 Khalihan mein milega
 Bhagwan to aye bande
 Bhagwan to aye bande
 Insan mein milega
 Wo khet mein milega
 Khalihan mein milega

Dhanwan jo hai jhutha
 Saitan ke barabar
 Nirdhan agar hai sachha
 Bagwan ke barabar
 Wo dhong mein nahi hai
 Iman mein milega
 Woh khet mein milega

Ganga se bhi hai
Pawan majdur ka pasina
Pani na koi samjhe
Anmol ye nagina
Aise hi paiso ke
Nirman mein milega
Wo khet mein milega
Khalihan mein milega
Bhagwan to aye bande
Insan mein milega
Wo khet mein milega
Khalihan mein milega
Wo khet mein milega
Khalihan mein milega
Wo khet mein milega
Khalihan mein milega.
