

Kahin zhulf ka baadal o ho,  
Kahin rangili aachal aa haa,  
Kahin hoat gulabi o ho,  
Kahin chaal sharabi aa haa,  
Kahin aankh lagadi o ho,  
Kahin jism ki khushboo aa haa,  
Kahin narma nigahen o ho,  
Kahin gori bahen aa haa  
Haa yahan kadam kadam par  
Lakhon haseenayen hai  
Hum magar yeh dil ka  
Tofa dene oosai aaye hai

Woh ladki jo sabse alag hai  
Woh ladki jo sabse alag hai  
Woh ladki jo sabse alag hai  
Woh ladki jo sabse alag hai  
Haa yahan kadam kadam par  
Lakhon haseenayen hai  
Hum magar yeh dil ka  
Tofa dene oosai aaye hai

Woh ladki jo sabse alag hai  
Woh ladki jo sabse alag hai  
Woh ladki jo sabse alag hai  
Woh ladki jo sabse alag hai

Kitne hi jalve hai,  
Aankhon mein ghoomti hai jaise chandni,  
Kitni hi hoo baatein hai,  
Kaano mein ghoolti hai jaise raagini,

Yeh chale jaise zaraa balkhaake,  
Woh chale jaise zaraa ithlaake,  
Yeh mile jaise zaraa sharmaake,  
Woh mile jaise zaraa iteraake

Haa yahan kadam kadam par  
Lakhon haseenayen hai  
Hum magar yeh dil ka  
Tofa dene oosai aaye hai

Gulshan ki hai woh kali,  
Jo sare phoolon billkul hai judaa,  
Kya kahin yeh hoo dekha hai,  
Een aankhon ne aisa roop kya

Kya ajibsi taazagi hai,  
Kya hasin si saadagi hai,  
Kya ajibsi dil kashee hai,
