

Jhoom jhoom baadal baadal
Bas uska raag sunata tha
Is balak ke kadmo ko
Parbat bhi rok na pata thaa
Mevad ki dharti ka har kan
Jise apna laal bulata thaa
Woh mahabali, woh mahaveer

Woh maharana keh lata thaa

Ho maa ke charan kamal mein
Woh apna seesh jhukata thaa
Apne pitah ki aagya ko
Ishwar ki vaani bata thaa
Jiski talvaar ki jhanik se
Dushman ka tann ghabhrata thaa
Woh ajar-amar woh shurveer
Woh maharana keh lata thaa.
