

# Woh Raat Song Lyrics

---

Kabhi woh raat aayegi tumhein har baat keh dunga  
Mere andar daba hai jo sabhi jazbaat keh dunga

Karun karun tujhe sit down ho  
Tere baap ko kiya hai tune let down ho  
Karna padega tumhein step down ho  
Raho ghutne pe bina bole get down ho  
Woh bole mujhe dumb it down we don't understand  
I bet that ho no tic tac toe  
Let go like click clack pow  
Soche bina bhaage chahe zig zag woh

Rishte mein lagta hun baap  
Chalo mere chalo mere nakshe-kadam  
Hasta hun karke bhi paap  
Gaadun toh hote na bakse khatam  
Holy father kabhi soya nahi goli khaakar  
Do boli likhe nahi kabhi molly khaakar  
Faili poora meri itni chaadar  
Poora bistar uska mera bed ka border  
I press recording dabta r  
Wahin dabe baaki kahin bhi na dabta r  
Mere gale mein hi laga hua compressor  
Lein kam pressure tabhi bane cr  
To the r to the k to the k  
Galti ki halke mein leke humein  
Galti se daane na faikein humein  
Paisa loon poora bande bhi ak rakhe

Kabhi woh raat aayegi tumhein har baat keh dunga  
Mere andar daba hai jo sabhi jazbaat keh dunga

It's k repping double k double r saath  
Charge up jaise double a chale vardaat  
Haalaat hain na badle kare aar paar  
Mehnat agar double hai toh double r cross  
I'll be the best to karun beat pe flex and leave you stressed  
In beat pe toh jeeb ye weapon

Teach a lesson lage mujhe weak hai section

Latex and i don't need protection

Baar baar jeeta na kabhi haarta haath hai

Kabhi na karun baat na kabhi vaartalaap hai

Maar kaat nahi main toh gaadta jaake

Bahar dhamake hote jab main faadta aake

Aise kyu lage that i got no feeling

Kyuki 14 pe dekhe the maine bohot se killings

Skengs and chingin on the opp block spinnin

I be drillin with dilin i kill em all n i'm winnin

Bole mujhe chill mere dil mein nahi hai

Real life mein hote kill ye filmein nahi hai

Smoke mile real bol chillumein chahiye

Skill jo chahiye kabhi dekha inmein nahi hai

Yeh tule hain badle pe rahein yeh sadme mein jab tak hum pakdein yeh pen

Dollar sign one time cause i hit one time then i'm never gon see it again

Kabhi woh raat aayegi tumhein har baat keh dunga

Step up in a party ayy aankhon mein cardi hai

Tinted rakhi gaadi

Loon teeka body mein rahkta na tatte dehadi

Fan nahi fam mere bhai

Doon gawahi saare monster hai goji rakhayi

Jo fan inke brain-dead hai trained for the lie

Goo khaye jo sattar se bahattar hai iq

Inke dost nahi ghost kare write

Inhe sapne mai dikhe mera bhoot

Maine itno ko roti khilayi meri khudki na miti kabhi bhook

Sab chahiye kab chahiye? Ab chahiye

Bharpai nahi pie pie gazab chahiye

Sky high toh mike ty ka jag chahiye

Fuck a jag mujhe ab saara jagg chahiye

Sateh ke upar hai lava sateh ke neeche hai magma

Kama lun main rap se paisa par gaayab na hoga ye jack ma yeh mera magma

Kabhi woh raat aayegi tumhein har baat keh dunga

Mere andar daba hai jo sabhi jazbaat keh dunga

Kabhi woh raat aayegi tumhein har baat keh dunga  
Mere andar daba hai jo sabhi jazbaat keh dunga
