

Wajda woofer  
Aan boohey vich  
Wajda woofer gaddi 'ch

It still ain't nuthin' but a 'G' Thang  
'G' thang!  
'G' thang!  
I jumped out of the car, let the beat bang

Wajda woofer gaddi ch  
Pehndi dhamak gali vich saari  
Aan boohey vich khad jaavey  
Teri mittran de naal

Mumbaiii, Lets Go...  
Wajda woofer gaddi 'ch

You got what I want  
Bharatlyrics.com  
What I want is what you got

Aan boohey vich khad jaavey  
What...  
Big up as we have snoop dogg in the house yea

Wajda woofer gaddi 'ch  
Pehndi dhamak gali vich saari  
Say what?

Aan boohey vich khad jaavey  
Bro! Bro!  
I told you moth\*\*\*\*s that I just can't stop  
O o o...  
I jumped out the car let the beat bang  
It still ain't nuthin' but a 'G' Thang  
With that heat man, I stand tall  
Homie out of pocket get yo man dawg

Your girl in love with a crip cuz  
I seen her on the pole at a strip club  
Scoopin up money in a trash bag

Long weave, ass fat  
All on a n\*gga tip  
Drip drop, drop drip  
Look at these hoes all over a pimp  
My system thump, woofers knock  
Hustlin for the money like I'm working the block  
I told you moth\*\*s that I just can't stop  
You punch the clock  
See I just aim and pop and set up shop  
Until I make the beat go pop

Wajda woofers gaddi 'ch  
Pehndi dhamak gali vich saari  
Aan boohey vich khad jaavey  
Teri mittran de naal yaari

You got what I want  
What I want is what you got  
You know what to do  
Coz you drop it like its hot  
Everybody knows it's Zeus in the spot  
Repping east n west  
Wooferrr!

Smoking on my vapour  
Piling up my paper  
Thats right  
Smoking on that vapour  
Stacking up that paper..

It still ain't nuthin' but a 'G' Thang

Gali teri aa ke dil ho jaye baago baag ni  
Chakki jaye speaker-aan di sohniye  
Jaggi Jagowal kurrey  
Patteya teri dildari  
Woofers gaddi 'ch  
Pehndi dhamak gali vich saari  
Aan boohey vich khad jaavey  
Teri mittran de naal yaari

What?

Woofers gaddi 'ch  
You got what I want  
What I want is what you got  
Aan boohay vich khad jaavey  
Lets go!  
You know what to do  
Coz you drop it like its hot

Woofers...  
Woo woo woo...
