Heyya heyya meherbaan
Mere dil ke meherma
Tere dum se hai shamma
Raunak tu tu hi khushboo

Tere liye hui majboor

Sar pe chadh gaya tera hi suroor
Tere rutbe ka hi hai ye kasoor
Mushkil door tera rehna

Habibi ya baba lek ya baba
Habibi ya baba lek ya baba
Kolo kolo ya baba lek ya baba
Kolo kolo ya baba lek ya baba

Allah allah ya baba
Wislam aleik ya baba
Allah allah ya baaaba
Wislam aleik ya baba
Seedi mansour ya baba
Winjik nzour ya baaaba
Allah allah ya baaaba

lyrics

Ya baba i come with pure grace
Henna glowing soft moonlight on her face
Like a fantasy kohl lining my gaze
One look from me watch'em burn in my blaze

Ya sidi mansour light up the flame
Let the rhythm take me call out your name
Heart to the hips let the magic remain
Ya baba heal me again

Habibi ya baba lek ya baba
Habibi ya baba lek ya baba
Kolo kolo ya baba lek ya baba
Kolo kolo ya baba lek ya baba

Allah allah ya baba
Wislam aleik ya baba
Allah allah ya baba
Wislam aleik ya baba
Seedi mansour ya baba
Winjik nzour ya baaaba
Allah allah ya baaaba

Ishq hai kya hi jaan ki baazi
Kya raza apni yahaan pe
Raazi naaraazi

Haste-haste le lenge
Chhuri kaleje pe
Kitni mushkil se mushkil ho
Sajde mein hi rahoon

Kar le jo ishq qabool
Chattanon mein bhi khilte hain phool
Duniya mein dil ko na bhool
Sunta chal iska kehna

Usi ka jab naam liya baba
Usi ne tab thaam liya baba
Habibi ya baba lek ya baba
Kolo kolo ya baba lek ya baba

Allah allah ya baba
Wislam aleik ya baba
Allah allah ya baaaba
Wislam aleik ya baba
Seedi mansour ya baba
Winjik nzour ya baaaba
Allah allah ya baba
