

Ya toh daulat ki aarjoo hai tujhe  
 Ya koyi mujhase bhi jyaada  
 Tera deewaana hai  
 Ya toh daulat ki aarjoo hai tujhe  
 Ya koyi mujhase bhi jyaada  
 Tera deewaana hai  
 Iss tarah raat din chaahat  
 Mein tadapaata nahi koyi  
 Jaise dil todake gaye ho,  
 Aise dil todake jaata nahi koyi  
 Jaise dil todake gaye ho,  
 Aise dil todake jaata nahi koyi  
 Ya toh daulat ki aarjoo hai tujhe  
 Ya koyi mujhase bhi  
 Jyaada tera deewaana hai

Pal mein tum toh badal gaye  
 Ho aur badale hai iraade  
 Sheeshe ki tarah se tute  
 Ishq ke saare waade  
 Pal mein tum toh badal gaye  
 Ho aur badale hai iraade  
 Sheeshe ki tarah se  
 Tute ishq ke saare waade  
 Daulat ke aage toh dekho  
 Pyaar hamesha haara  
 Dekh lo meri saansein bhi  
 Unape hai naam tumhaara  
 Ya toh shoharat ki justajoo hai tujhe  
 Ya alag hone ka phir se koyi bahaana hai  
 Ya toh shoharat ki justajoo hai tujhe  
 Ya alag hone ka phir se koyi bahaana hai  
 Iss tarah raat din chaahat mein  
 Tadapaata nahi koyi  
 Jaise dil todake gaye ho,  
 Aise dil todake jaata nahi koyi

Dard bahot hai jakhm bahot hai,  
 Par roke kya milana  
 Deewaano aur parwaano ka

Kaam hai ik din jalana  
Dard bahot hai jakhm bahot hai,  
Par roke kya milana  
Deewaano aur parwaano ka  
Kaam hai ik din jalana  
Mere aansu moti samajho,  
Ya tum samajho paani  
Itana yakin hai tumse huyi hai  
Kuchh na kuchh naadaani  
Ya toh do pal ka  
Kuchh junun hai tujhe  
Ya toh iss rishte ka naam  
O nishaan mitaana hai  
Ya toh do pal ka  
Kuchh junun hai tujhe  
Ya toh iss rishte ka naam  
O nishaan mitaana hai  
Iss tarah raat din chaahat mein  
Tadapaata nahi koyi  
Jaise dil todake gaye ho,  
Aise dil todake jaata nahi koyi  
Ya toh shoharat ki justajoo hai tujhe  
Ya alag hone ka phir se  
Koyi bahaana hai  
Bharatlyrics.com  
Iss tarah raat din chaahat  
Mein tadapaata nahi koyi  
Jaise dil todake gaye ho,  
Aise dil todake jaata nahi koyi  
Jaise dil todake gaye ho,  
Aise dil todake jaata nahi koyi  
Ya toh daulat ki aarjoo hai tujhe  
Ya koyi mujhase bhi jyaada  
Tera deewaana hai.
