

Hey hey hey, hey hey hey hey
Hey hey hey, hey hey hey hey
Yaad hai woh pehli mulaqat yaad hai
Yaad hai mujhe teri har ek baat yaad hai
Voh maheki raatein, saari saugaatein
Bheegi meri aankhon se aansu beh chale
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye
Mere toote dil mein koi khwaahish na rahi
Armaanon ke sab raaste soone pade
Kyon dua bhi meri bani aaj bad-dua
Yeh ehsaas chaahat ke sabhi chubhne lage
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye

Ga ni sa re sa ni sa ni sa ga, aah
Ga ni sa re sa ni sa ni sa ga, aah

Tujhe bhoole na bhi chaahoon to na bhula sakoon
Tu hi bata tere bina kaise rahoon
Tu jaane na sanam gham maine kya saha
Bikhre mere sapne zameen pe tootke
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye
Yaad hai woh pehli mulaqat yaad hai
Yaad hai mujhe teri har ek baat yaad hai
Voh maheki raatein, saari saugaatein
Bheegi meri aankhon se aansu beh chale
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye
Kisse kuch puraane mil gaye
Rone ke bahaane mil gaye.
