

Hmm hmmm  
Ek pal mein kya se kya hua  
Jadoo sa kya chala  
Tujhse juda hua to aaj khudse juda hua  
Ek pal mein kya se kya hua  
Jadoo sa kya chala  
Tujhse juda hua to aaj khudse juda hua

Aayye yaad teri aaye jaaye  
Hoo jaaye jaan bhi na jaaye

Hmmmm

Aayye yaad teri aaye jaaye  
Hoo jaaye jaan bhi na jaaye

Suna suna sa hai mausam  
Ujhal si shaam hai  
Tanha tanha sa har rasta  
Tanha makaam hai

Gumsum gumsum si lagti hai  
Aai hai jo hawa  
Chupke chupke sabse chupke  
Roota hai aasmmaan  
Bejaan dhadkan meri  
Aankhon mein hai dua  
Tujhse juda hua to aaj khudse juda hua

Aayye yaad teri aaye jaaye  
Hoo jaaye jaan bhi na jaaye

Hmmmm

Kisne socha tha esha bhi aayega ek din  
Khali khali hongein her palchin tere bin

Bechaine hai betaabi hai  
Dil hai bujha bujha  
Mara mara deewano sa  
Phirta yahan wahan

Saasein ruki hui meri  
Khamosh hai sada  
Tujhse juda hua to aaj khudse juda hua

Aayye yaad teri aaye jaaye  
Hmmm jaaye jaan bhi na jaaye

Ek pal mein kya se kya hua  
Jadoo sa kya chala  
Tujhse juda hua to aaj khudse juda hua

Aayye yaad teri aaye jaaye  
Hoo jaaye jaan bhi na jaaye

Hmmmm hoo....
