

Yaad teri aayegi mujhko bada satayegi
Yaad teri aayegi mujhko bada satayegi
Zid yeh jhuthi teri meri jaan leke jayegi

Yaad teri aayegi mujhko bada satayegi
Zid yeh jhuthi teri meri jaan leke jayegi
Yaad teri aayegi mujhko bada satayegi

Tera sath chhuta tuta dil to ye jaana
Kitna hai mushkil dil se yaar ko bhulana
Dil ka humesha se hai dusman zamana
Gam yeh hai tune mujhe na pechhana
Na pechchana

Yaad teri aayegi mujhko bada satayegi
Zid yeh jhuthi teri meri jaan leke jayegi
Yaad teri aayegi mujhko bada satayegi

Bujh gaya suraj jale chand tare
Nazre dhuaa hai dhuaa sare najare
Mujhe dil lagane kee kya tune saja di
Bina soche samjhe dil ke duniya jala di
Duniya jala di

Yaad teri aayegi mujhko bada satayegi
Zid yeh jhuthi teri meri jaan leke jayegi
Yaad teri aayegi mujhko bada satayegi

Has ke sahunga sare duniya ke yeh ghum
Mar bhee gaya tho hoga pyaar nahi kam
Cheen le tujhe jo mujhse kisme hai yeh dum
Tan se juda hai tho kya ek jaan hain ham
Ek jaan hain ham ek jaan hai ham

Yaad meri aayegi tujko bada satayegi
