

Yaado me aksar aate rahe
Kuchh pal hasaate rulaate rahe
Tumako bhulaa naa paaye kabhi
Lagataa hai tum saath me ho abhi

Kyaa khub lamhe hai
Ham aaj phir se hai saath
Ud ke chale aasamaan ke paar

Jinaki tamannaa hai baar baar

He he la laa la laa
He la laa la laa aa haa
Bikhare huye khaab kitane
Aankhe hai khud me basaaye
Khaabo me naa mil sake jo
Aao unhe dhundh laayen
Phir ho ke sach khaab apane
Chalane lagege saath saath
Samajho naa tum ye zaraa si baat

Samadar ki laharo ko dekho
Tute magar tham naa jaayen
Saahil se milane ki khaatir
Le ke ummide wo aayen
Ham tum bhi laharo ki tarahaa
Milate rahege baar baar
Lamhe ye aayege baar baar.
