

Armaano ke iss gulshan me
Tum aaye ho saawan ki tarah
Yaar badal na
Jaana mausam ki tarah
O mere yaar badal na
Jaana mausam ki tarah
Tum kya jaano mere dil me
Tum rehati ho dhadkan ki tarah
Yaar badal na
Jaana mausam ki tarah
O mere yaar badal na
Jaana mausam ki tarah

Saagar ke sang lehar kiran
Suraj ke saath me chalati hain
Shama hamesha parwaane

Ki chaahat me he jalati hai
O phul me khushabu rehati
Hain aur sip me moti rehata hain
Tera mera hoga milan
Dharati se ambar kehata hai
Mere hoto pe rehna har dam
Saajo me chhupi sargam ki tarah
Yaar badal na
Jaana mausam ki tarah
O mere yaar badal na
Jaana mausam ki tarah

Milake juda abb hone se
Dil kyon darata hain khone se
Milake juda abb hone se
Dil kyon darata hain khone se
Mai tere saath me
Abb rahunga sada
Maine le hai kasam
Hain mera faisala
Aakhari saas tak
Ham na honge juda
Yaar badal na jaana

Mausam ki tarah

O mere yaar badal na

Jaana mausam ki tarah

Tum kya jaano mere dil

Me tum rehati ho

Dhadkan ki tarah

Yaar badal na

Jaana mausam ki tarah

O mere yaar badal na

Jaana mausam ki tarah

Sarkaar badal na

Jaana mausam ki tarah

Dekho yaar badal na

Jaana mausam ki tarah.
