

Pyar vich reh gaiyan ne dhokhebaajiyan,  
Chitte wangu ajkal aam bikda,  
Launi udd di kabootari koi aukhi gal nai,  
Jede launde ne vi ohna vichon nasha disda,

Kaale sheesheyen de pichhe loki pyar karde,  
Haan...

Kaale sheesheyen de pichhe loki pyar karde,  
Kahaunde sachche paake jhuthiyan paheliyan,

Kehnde uchiyan havelian,  
Car'aan lamiyan te saheliyan,  
Veere palle saade kakh ni,  
Yaaran beliyan de beli aan,

Guddi ambraan te ik din ohdi chadh di,  
Oh jeda din raat mehanti pujari hunda ae,  
Tichran bathere loki rehnde karde,  
Bhrosa rabb jahe naam te jo yaari hunda ae,

Sath vich beh ke geet gaa laine aa,  
Motaraan te taahniyan saja laine aa,  
Loki aakh de ne maarda ae beliyan,

Kehnde uchiyan havelian,  
Car'aan lamiyan te saheliyan,  
Veere palle saade kakh ni,  
Yaaran beliyan de beli aan,

Changey aan ja maade saada rabb janda ae,  
Par yaaran de layi khad de aan hik taan ke,
