Pyar vich reh gyia ne dhokhe-baaziyan
Chitte wangu ajj kal aam vikda,

Launi udd di kabootri koi aukhi gal ni
Jehde launde ne v ohna vich nasha disda.

Kaale shisheyān de pishe loki pyaar karde
Kaale shisheyān de pishe loki pyaar karde
Kahunde sche paaa k jhuthia pahelia.

Kehnde uchā haweliyan,
Car-an lamia te saheliyan,
Veere palle sade kakh ni,
Yaaran beliyan de beli aa.

Guddi ambraan te ik din ohdi chad di,
Jehda din raat mehnti pujari hunda aa,

Tichran bathere loki rehnde krde,
Bharosa rbb jhe naam te jo yaari hunda ae.

Satth vich beh k geet gaa lene aa,
Motran te taaniya sjaaa lene aa,
Loki akhde ne maarda ea vehliyan.

Kehnde uchā haweliyan
Car'an lammiyan te saheliyan
Veere palle sade kakh ni
Yaaran beliyan de beli aan.

Change aaa ja maade sada rabb janda
Par yaara de layi khad de aaa hik taan k,

Lod pave sir tali utte tdhar diye
Aave aaft ta khad jaiye knd ban k.

O wik jande ne gawaah

O wik jande ne gawaah

Car-an lamia te saheliyan,

Veere palle sade kakh ni,

Yaaran beliyan de beli aan.

O nikke hundeyan to dukh asi bade dekhe ne

Par rab di raja de vich aasan rakhiyan,

Ajj dekh lo vi harman khnori vale nu,

Geeta vich gallan dsda ae sachian,

Mardaheeri vala yaaar, avtar dhaliwal,

Gana jihde naal chle vich yaar beliyan.

Kehnde uchiyan hawelia,
