

Yaar tha ghulzar thaa  
Baade saba ki main na thaa  
Layake khwabo se jaana  
Layake khwabo se jaana  
Kyaa heena thi main na thaa  
Yaar tha ghulzar thaa

Hath kyun bandhe mere  
Chhalla gar chori huua  
Hath kyun bandhe mere  
Hath kyun bandhe mere  
Hath kyun bandhe mere

Chhalla gar chori huua  
Ye sharafa shokhi  
Range heena thi main na thaa  
Yaar tha ghulzar thaa

Main ne puchha kyaa huua  
Woh aap ka husno shabab  
Main ne puchha kyaa huua  
Woh aap ka husno shabab  
Haske bola who sanam  
Haske bola who sanam  
Shaane khuda thi main na tha  
Yaar tha ghulzar thaa

Main sishakta reh gaya  
Aur mar gaye farhadokas  
Main sishakta reh gaya  
Main sishakta reh gaya  
Aur mar gaye farhadokas  
Kyaa unhi kaano ke hisse mein  
Faza main na thaa  
Yaar tha ghulzar thaa  
Baade saba ki main na thaa  
Layake khwabo se jaana  
Layake khwabo se jaana  
Kyaa heena thi main na thaa  
Yaar tha ghulzar thaa
