Yaar yaaroo ethiril vandhaalum  
Un mugam thaane mudhal aagum  
Un paarvai kidaithal thaan  
En oru naalum muzhudhaagum

Enna naan seigireno  
Innum en seiven naano  
Ellaam unakkaaga thaano penne

Yaar yaaroo ethiril vandhaalum  
Un mugam thaane mudhal aagum  
Un paarvai kidaithal thaan  
En oru naalum muzhudhaagum

Prabanja pirai nee unnodu vaazhvaen  
Pramadha pizhai nee en vaazhvilae  
Kadalaadum alai nee  
Naan moozhgi poven  
Maryaadha katha nee en nenchile  
Kadhalum kolludhe kangalum alludhae

Mudhal mudhalaai manasukkul yeri  
Paravasa kaatrai nee thandhaai

Kanavugal kodi yen thandhaai

Enna naan seigireno  
Innum en seiven naano  
Ellaam unakkaaga thaano penne

Yaar yaaroo ethiril vandhaalum  
Un mugam thaane mudhal aagum  
Un paarvai kidaithal thaan  
En oru naalum muzhudhaagum
