

Yaarayum Velgira Song Lyrics

Yaarayum velgira kadhalai vendrida
Un thunai ondre poodhum
Yaarayum thodukira kaattrinil undhan
Swasangal thaniye vendum

Kaadhalil tholaivadhu sugam
Kaathalai tholaippadhu ranam

Ovvoru nimidamum unndan irundhida
Yen manam yengudhu yeno
Ovvoru udhadum unnudan pesida
Pottikal podudha yeno

Kaadhalil tholaivadhu sugam
Kaathalai tholaippadhu ranam

Unnodu pesipponadhun
Un thozhil saindhu ponadhun
Un swasam vankipponadhun
Ninaithuiruppene

Yeppodhum undan nabagam
Ooyathe enne kaaranam
Yellaame kaadhal noodhanam
Puriya vaithaaye

Uruguthe... Uruguthe
Yenadhu manadhu vazhiyuthe
Vazhiyuthe iruvizhile
Ithu than nadakkum
Uyir muzhuthum vinoa aa

Yaarayum velgira kadhalai vendrida
Un thunai ondre poodhum
Yaarayum thodukira kaattrinil undhan
Swasangal thaniye vendum

Kaadhalil tholaivadhu sugam
Kaathalai tholaippadhu ranam

Nenjooram undhan yosanai
Yen moochchil undhan vaasanai
Kanmooda yendhan jeevanai
Neriya vaithaaye
