Kele kele nanna
Korike ee bedike

Nidhaanaku sariye
Vidhanadi oliye
Sumaaraagi sariye
Nee endaadaru oliye

Aaahhh..

Dhimthana...
Dhimthana...

Helade kelade
Eke heege maaduve
Noduta noduta
Hege ista aguve

Drushtiye taakide
Omme nee nakkare
Kastave jivake
Matte nee sikkare

Nadiya neeru kadala seride
Preeti rekke bicchi haaride
Hoda jeeva banda haagide
Matte matte manasu jaaride

Yaare yaare neenu
Devathe... devathe...

Nidhaanaku sariye
Vidhanadi oliye
Sumaaraagi sariye
Nee endaadaru oliye.
