

Yaaro mere yaar se milo
Pehale pehale pyaar se milo
Phoolo mein phool hai gulaab ka
Nashe mein nansha shabaab ka
Daur mein daur hai sharaab ka
Yaaro mere yaar se milo
Pehale pehale pyaar se milo
Phoolo mein phool hai gulaab ka
Nashe mein nansha shabaab ka
Daur mein daur hai sharaab ka

Khwab dekhti hai iske hi
Shehar ki har ek gori
Naujawan shrimaan yahi
Har ladki ki kamzori
O surat bholi bholi
Dil bhi sada sada
Pura kar de jo bhi kare wada
Yaaro mere yaar se
Pehale pehale pyaar se milo

Baat baat pe banta hai jogi
Hai yeh magar man se bhogi
Haath daal dun iske gale to
Jeet meri phir hogi
Kad hai uncha uncha
Chauda chauda sina
Mera dil to chahe
Isi ke sang jeena
Yaaro mere yaar se
Pehale pehale pyaar se milo

Baar baar deedar kiya
Par dil na abhi bhar paya hai
Maine aap se mila diya
Taqdeer ne jisko milaya hai
Kaisi intzaari kaisi bheegi rate
Ab tu hi batana iski saari baate
Yaaro mere yaar se
Pehale pehale pyaar se milo
