

Yaarodu Yaar Endru Song Lyrics

Yaarodu yaarendru
Yaar solvatho indru
Boologam sutri sutri vara
Ellam inge maari poche

Pogattum po endru
Sonnalum pogaathindru
Nenjodu otti otti varum
Nyabagangal koodipoche

Piriya mazhaiye mazhaiye
Pudhithaai thodarum kadhaiyae

Piriya mazhaiyae mazhaiyae
Puthithaai thodarum kadhaiyae
Karai thottu piriyaum alaigal
Meendum meendum urasi paarkaathaa

Megam vaanile thangaamal
Nadhigal boomiyil thangaathu
Kaalam thanginaal
Kaayam thangumaa
Kalai maalaiye soll

Theerattheerave kaatrellam
Meendum meendume niraiyaathaa
Anbu endrume kaatrai polave
Neengidaathu ulagil
Pugaiyaamal theyum illai
Puthaiyaamal thangam illai

Ho pugaiyaamal theyum illai
Puthaiyaamal thangam illai
Nenjoramaai sirukaadhale
Ariyamal patri kollaathaa

Paadhai urumaaripoga
Bothai unathaagipoga
Vegam puthu vegam

En nenjai killuthe

Medai merugeripoga

Edho naamai kootipoga

Neelum oru thaagam

Edhedho pannuthe
