

# Yaarumey Venam Song Lyrics

---

Sooriyan marainthalam  
Ulagame azhinthalam  
En isai azhiyathe  
Ennaalum ennaalum

Thadai pala vanthalam  
Kaalam athu nindralum  
En isai nirkathe  
Eppothum eppothum

And come through movies bro  
No, not through TV bro  
I came from every stage to stage  
Even you see me in all college show

Rapping in the streets few years ago  
Now let everybody know  
I came up by my own  
No family to back me up

En vazhkai en payanam  
En vazhvin sandhosam  
Ellame neethan  
Ellam unnal than

En thozhvi en vetri  
En ulagam unai sutri  
Ellame neethan  
Ellam unnal than

My friends are my family  
My friends there got for me  
And I got a lot of enemies  
I don't care about it  
Don't care about it know

My friends are my family  
My friends there got for me  
And I got a lot of enemies
