Usura mooti vitalae elaga vechalae

Alaga muthuthula manasa kolutha
Vaa sikura odatha sulika
Verasa takkunu thimira adaka
Vaa siruki siripil uruga

Yaathi yaathi
Nee suthura suthula sorugi nikuren
Yaathi yaathi
Ena mayakum sundariyae

Yaathi yaathi
Un sticker u potula satunu otura
Yaathi yaathi
Ena murukum mundiriyae

Pattu nulu selai kula
Sikalaa ni nolancha
Macham mattum micham vachu
Mothama kovuthuputa

Kattalagi vatha vacha
Kandapadi alaiya vitta
Nenjukula rekka viruccha
Usura thoranthuputta

Karucha kuruvi onu
Kanavula koovayila
Mulusa umazhaila
Naa nanachenae

Valayil orasayila
Chandirana sevanga vacha
Vekka pattu seva sevukura

Vethalai kannaala

Adichu adi thuvachu ni alasi edukura
Munthil madipil ena madichu
Kolaiya mooti thaagam ethura

Yaathi yaathi
Nee suthura suthula sorugi nikuren
Yaathi yaathi
Ena mayakum sundariyae

Yaathi yaathi
Un sticker u potula satunu otura
Yaathi yaathi
Ena murukum mundiriyae

Yaathi yaathi
Nee suthura suthula sorugi nikuren
Yaathi yaathi
Ena mayakum sundariyae

Yaathi yaathi
Un sticker u potula satunu otura
Yaathi yaathi
Ena murukum mundiriyae.
