

Yaha kaun tera hai
Yaha kaun hai jo tera hai
Mere dil sambhal andhera hai
Yaha kaun hai jo tera hai
Mere dil sambhal andhera hai
Ye jaha hai kya har admi
Ho lutera hai
Yaha kaun hai jo tera hai

Pyar ki ye mahal gir pade
Haay re ek pal me
Chuta wo sahara tha
haye na hamar atha
Phir hame karni padi ha imaykashi
Ye jaha hai kya har admi
Ho lutera hai
Yaha kaun hai jo tera hai
Mere di sambhal andhera hai
Yaha kaun hai jo tera hai

Kyu yaki hum kare
Patharo ka sahar ye jamana
Dunia to hamari lakdi ki pitari hai
Le mujhe baho me le eye bekhudi
Ye jaha hai kya har admi
Ho lutera hai
Yaha kaun hai jo tera hai
Mere di sambhal andhera hai
Ye jaha hai kya har admi
Ho lutera hai
Yaha kaun hai jo tera hai.
