

Yahi hai tamana yahi hai irada
Yahi hai tamana yahi hai irada
Sath jiyenge sath mareng
Tera mera wada mera tera wada
Tera mera wada

Parwat parwat jadu chhaya
Nadiya lauche van leharya
Mere dil me kon samaya
Mere khwbo ka shehjada
Sath jiyenge sath mareng
Tera mera wada mera tera wada
Tera mera wada

Gate rahi dengi gawahi
Gujre the do pyar ke rahi
Ho wo unki mast nigahe
Kitni rangin kitni shanab
Sath jiyenge sath mareng
Tera mera wada mera tera wada
Tera mera wada

Shok umange kya kya chahe
Kante hai ya mithi aahe
Sab kuch kah de khulti bahe
Bahdke do dil aur jiyada
Tera mera wada mera tera wada
Tera mera wada
Yahi hai tamana yahi hai irada
