

Hanste chehre mehke aangan  
Thandi shaamein raseele saawan  
Jo bhi kuch hai isi se hai  
Yahi hamari laila hai  
Yahi hamari sohni hai  
Yahi hamari sasi hai  
Heer bhi apni yahi zameen  
Yahi zameen yeh zameen  
Yahi yahi zameen yeh zameen

Bas yahi zameen yeh zameen  
Yahi yahi zameen yeh zameen

Khushbu iss ki rung iss ke  
Jeena marna sung iss ke  
Hum to lage angg iss ke  
Yahi hai gori ki peal  
Yahi hai aankhon ka kajal  
Maathe ka teeka bhi yahi  
Yahi hai haathon ki mehndi  
Yahi zameen yeh zameen  
Yahi yahi zameen yeh zameen  
Bas yahi zameen yeh zameen  
Yahi yahi zameen yeh zameen

Yahi rasta yahi manzil  
Yahi kashti yahi saahil  
Yahi jaan hai yahi hai dil  
Aao apne jeewan mein  
Pehla uss ka naam likhein  
Pehle uss ki baat karein  
Jo apni pehchan banee  
Yahi zameen yeh zameen  
Yahi yahi zameen yeh zameen  
Bas yahi zameen yeh zameen  
Yahi yahi zameen yeh zameen.
