

Ye aaj ke laila aur majnu
Yoon mil kar bichhda
Karte hain aen aen aen
Ik haath se dil ko thhaamte hain
Ik haath se dil ko thhaamte hain
Ik haath se ta ta karte hain
Ik haath se ta ta karte hain
Ik haath se ta ta karte hain
Ik haath se ta ta karte hain
Ta ta ta ta ta ta ta ta ta
Ik haath se ta ta karte hain
Aaaaaa aaaaaa aaaa

Wo hero se mil kar heroine
Kuchh gaane lagi
Gaane lagi rone lagi
Haan gaane lagi rone lagi haan
Hum roz muhabbat ki dil mein
Aankhon mein utaara karte hain
Aankhon mein utaara karte hain
Aankhon mein utaara karte hain haan
Aankhon mein utaara karte hain
Aankhon mein utaara karte hain

Kismet ne diya hai kya jhhaansaa
Zaalim ki muhabbat ne phaansaa phansaa
Ab din ke ujaale mein humko
Taare nazar aaya karte hain
Taare nazar aaya karte hain
Taare nazar aaya karte hain
Aaaaaa aaaaaa aaaaaa
Taare nazar aaya karte hain
Taare nazar aaya karte hain
Taare nazar aaya karte hain

Us waqt khushi se dil mera
Aankhon mein utarne lagta hai
Haan da da da da daa haan
Jab kaali soorat par wo
Makeup makeup lagaa kar

Nakhraa karte hain
Makeup lagaa kar
Nakhraa karte hain
Makeup lagaa kar
Nakhraa karte hain
Haaaaan aaaaaaaan
Makeup lagaa kar
Nakhraa karte hain
Nakhraa nakhraa
Nakhraa nakhraa nakhraa haaye
Nakhraa makeup lagaa kar
Nakhraa karte hain

Aaaaaaaa aaaaa aaaa
Jab unse ladi thhi meri nazar
Ye dil ne kahaa thha haaah
Ghabraa kar ghabraa kar
Naadaan na ban
Abe naadaan na ban
Aankhen na ladaa
Wo aag lagaa kar
Haa haa karte hain
Wo aag lagaa kar
Haa haa karte hain
Wo aag lagaa kar
Haa haa karte hain
Wo aag lagaa kar
Haa haa karte hain
Wo aag lagaa kar
Haa haa karte hain

Ae meri mohabbat ki motor
Garij se nikal kar road pe aa
La la la laa la lallaa
Lallaa lallaa lallaa lallaa laa haan haan
Hum kab se khade raahon mein teri
