

Aankh khulte hi chhup gaye harshar  
Aalme bekhudi mein kya kuchh tha  
Laakh rahe thi laakh jalwe the  
Ahedi awargi me kya kuchh tha  
Yaad hain marhale mohabbat ke  
Yaad hain marhale mohabbat ke  
Haye us bekhudi mein kya kuchh tha  
Kitni beete dino ki yaad aayi  
Aaj teri kami mein kya kuchh tha

Ye bhi kya shaam- e- mulaqat aayi  
Ye bhi kya shaam- e- mulaqat aayi  
Ye bhi kya shaam- e- mulaqat aayi  
Lab pe mushkil se teri baat aayi  
Lab pe mushkil se teri baat aayi  
Ye bhi kya shaam- e- mulaqat aayi  
Ye bhi kya shaam- e- mulaqat aayi

Bastiyaan chhod ke barse badal  
Bastiyaan chhod ke barse badal  
Kis qayamat ki yeh barsat aayi  
Kis qayamat ki yeh barsat aayi

Haye kya hoga agar raat aayi

Ek se ke nayi raat aayi
