

Ye hawayein keh rahi hai tu yahi kahi kahi kahi
Ye hawayein keh rahi hai tu yahi kahi kahi kahi
Paas aa ja mere dur jana nahi nahi nahi
Ye hawayein keh rahi hai tu yahi kahi kahi kahi
Ye hawayein keh rahi hai tu yahi kahi kahi kahi

Gesiyo pulsikal me raat ho jaye
Har janam tera hi sath ho jaye
Gesiyo pulsikal me raat ho jaye
Har janam tera hi sath ho jaye
Ye adaye keh rahi hai mar na jaau kahi kahi kahi
Ye adaye keh rahi hai mar na jaau kahi kahi kahi
Paas aa ja mere dur jana nahi nahi nahi
Ye hawayein keh rahi hai tu yahi kahi kahi kahi

Mahi re haye tune ye kya kiya
Bato hi bato me mera dil le liya
Ja ke na ab jiya pardeshiya

Mai hu gul tera mai bulbul teri
Mai hu rahi tera mai manzil teri
Mai hu gul tera mai bulbul teri
Mai hu rahi tera mai manzil teri
Ye ghataye keh rahi hai yahi nazni nazni nazni
Ye ghataye keh rahi hai yahi nazni nazni nazni
Paas aa ja mere dur jana nahi nahi nahi
Ye hawayein keh rahi hai tu yahi kahi kahi kahi
Ha ye hawayein keh rahi hai tu yahi kahi kahi kahi.
