

Ye jalte hue lab ye sanso mein uljhan
Ruki ja rahi hai mere dil ki dhadkan
Mera dil o ho dekho mujhe kya ho gaya

Dekho ha dekho dekho dekho
Aati nahi hai neend bhi raato ko
Aati nahi hai neend bhi raato ko
Kaise batau sari bato ko
Pas ho tum aur mere hosh hai gham

Mera dil o ho dekho mujhe kya ho gaya

Ye jalte hue lab ye sanso mein uljhan
Ruki ja rahi hai mere dil ki dhadkan
Mera dil o ho

Socho socho ha socho socho
Pal mein hanshi kyu aane lagti hai
Pal mein hanshi kyu aane lagti hai
Pal mein udasi chhane lagti hai
Uf abhi tak ye deewane ye na jane
Mera dil o ho tumse mohabbat karta hai.
