

Jo afsaane dil ne buney
Unko koi dil hi suney
Hum haule haule pyaar ki
Dhundhli fizayon meinaaye
Gehre gehre hain khwaab ki
Neeli ghatayon ke saaye
Hum tum dono khoye khoye
Sapne dekhein jaage soye
Gumsum hairaan

Ye jo zindagi hai koi dastaan hai
Kab hoga kya ye khabar kahan hai
Ye jo zindagi hai koi carvaan hai
Kahan jayegi ye khabar kahan hai

Ye jo zindagi hai koi dastaan hai
Kab hoga kya ye khabar kahan hai
Ye jo zindagi hai koi carvaan hai
Kahan jayegi ye khabar kahan hai

Ye jo zindagi hai koi dastaan hai
Kab hoga kya ye khabar kahan hai

Ye jo zindagi hai koi carvaan hai
Kahan jayegi ye khabar kahan hai

Behti hain chingariyaan jaise
Sar se paon tak nas nas mein
Halka halka hosh hai lekin
Kuchh bhi nahin ab mere bas mein
Mere ang ang mein becheini bijli
Banke lehraaye
Ek meethe meethe dard ka badal
Tan man par chhaye
Saansein uljhein dhadkein
Lekin jaane kaisi meri mushkil hogi aasaan

Ye jo zindagi hai koi dastaan hai
Kab hoga kya ye khabar kahan hai
Ye jo zindagi hai koi carvaan hai
Kahan jayegi ye khabar kahan hai

Ye jo zindagi hai koi dastaan hai
