

Ye kuche, ye ha aaa , ghar dilakashi ke
Ye kuche, ye nilaam ghar dilakashi ke
Ye lutate hue kaaravaa zindagi ke
Kahaan hai, kahaan hai muhafiz khudi ke
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Ye purapech galiyaa, ye badanaam baazaar
Ye gumanaam raahi, ye sikko ki jhanakaar
Ye isamat ke saude, ye saudo pe takaraar
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Ye sadiyo se bekhauf sahama si galiyaa
Ye masali hui adhakhili zard kaliyaa
Ye bikati hui khokhali ragaraliyaan
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Vo ujale daricho me paayal ki chhan chhan
Thaki haari saaso pe tabale ki dhan dhan
Vo ujale daricho me paayal ki chhan chhan
Thaki haari saaso pe tabale ki dhan dhan
Ye beruh kamaro me khaasi ki than than
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Ye phulo ke gajare, ye piko ke chhite
Ye bebaak nazare, ye gustaakh fiqare
Ye dhalake badan aur ye bimaar chehare
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Yahaan pir bhi aa chuke hai, javaa bhi
Tan o mand bete bhi, abbaa miyaan bhi
Ye bivi hai
Ye bivi hai aur bahan hai, maan hai
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Madad chaahati hai ye havaa ki beti

Yashodaa ki hamjins raadhaa ki beti
Madad chaahati hai ye havaa ki beti
Yashodaa ki hamjins raadhaa ki beti
Payambar ki ummat zulekhaa ki beti
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai

Zaraa is mulk ke rahabaro ko bulaaoo
Ye kuche ye galiyaa ye mazar dikhaao
Jinhe naaz hai hind par unako laao
Jinhe naaz hai hind par vo kahaan hai
Kahaan hai, kahaan hai, kahaan hai.
