

Ye lahu roti hui sham
Ye larho ke kafan
Ye lahu roti hui sham
Ye larho ke kafan
Gham me dubi darde
Waqt ye ujade ek taraf
Kitane gamgin udas
Hai faja me fali hai
Jal mahal hai ki wafa
Wo ka sulagata jaam

Ek shansavo ki mag
Rur tamanao me
Sab nami rup ki jalate
Ko jala dala tha
Apna gangin har
Mukana sajane ke liye
Kitane mausam chirago
Ko bhuja dala tha

Julam ki aag sitaro
Ko julas sakti hai
Julam ke haat sitaro
Ko nahi pa sakte
Jinke sine me havas
Ke siwa kuch aur na ho
Wo mohhbat ke nazaro

Ko nahi pa sakte
Padmani tujh pe bhut
Naj hume aaj bhi hai
Tune na paak irado
Ko mita hi dala
Apni ijat ke liye
Apni wafa ke khatir
Phul se jism ko johir
Me jala hi dala
Phul se jism ko johir
Me jala hi dala
Phul se jism ko johir

Me jala hi dala
Ye lahu roti hui sham
Ye lahero ke kafan
Ye lahu roti hui sham
Ye lahero ke kafan.
