

Ye mana ke tumne bahot humko chaha  
Magar hum bhi tumko bahot chahate hai  
Kabhi me ke bichhade na hai ye tamanna  
Tere pyaar ki imtahaan chahate hai  
Bahot chahate hai

Chale dil ki dhadkan tera naam lekar  
Nigaahen uthe to tera aksh de kar  
Hawao mein teri hi aa aa  
Hawao mein teri hi khushboo basi ho  
Tera saath har saans mein chahate hai  
Bahot chahate hai

Main likhun to bas teri chahat mein likhun  
Main gaaun to bas tere nagame hi gaaun  
Zamee par chalu yaa  
Zamee par chalu yaa udu aasmaan par  
Teri ulfate har kadam chahate hai  
Bahot chahate hai

Kabhi zindagi ke safar mein hongaa  
Agar thak bhi jaaon mere pyaar se tum  
To shikva kabhi naa aa  
To shikva kabhi naa jubaan se karenge  
Ke hum to wafa ka bharam chahate hai  
Kabhi ke bichhade na hai ye tamanna  
Tere pyaar ki imtahaan chahate hai  
Bahot chahate hai bahot chahate hai  
Bahot chahate hai bahot chahate hai.
