

Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon
Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon
Sare shaare nigaah nargish hoon
Pagastar gesu sungul hoon
Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon

Jo taak haram mein roshan hai
Woh shamma yahan bhi jalti hai
Us dast doshe doshe se
Ek joye haya ugalti hai
Ye dast ghuno di deewano ka
Ye bazmein wafa parwano ki
Ye sheher tanab rumano ka
Ye khund pari armaano ki
Fitrat ne sikhai hai humko
Ustaad yahaan parvaaz yahan
Gaaye hai wafa ke geet yahaan
Chheda hai junoon ka saaz yahan
Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon
Sare shaare nigaah nargish hoon
Pagastar gesu sungul hoon
Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon

Is bazm mein tere khenchi hai
Is bazm mein saagar tode hai
Is bazm mein aankh bichhayi hai
Is bazm ne dil tak jode hai
Har shaam hai shaame musar yahaan
Har sab hai sabe siraaj yahaan
Aye sare jahaan ka soj yahaan
Aur saare jahaan ka saaz yahaan
Zaraat boje walikum
Sau baar juka aakash yahan
Khud aankh se humne dekhi hai

Paatil ki shikaste paak yahan
Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon
Sare shaare nigaah nargish hoon
Pagastar gesu sungul hoon
Ye mera chaman hai mera chaman
Main apne chaman ka bulbul hoon

Jo abra yahaan se uthe hai
Woh saare jahaan pe barsega
Aur jo rava pe barsega
Har ko e era par barsega
Har sarosa mann pe barsega
Har dasto daman par barsega
Khud apne chaman par tarsega
Gairo ke chaman par barsega
Har shehre ka tarab pe barsega
Har kasre tarab pe tadpega
Ye abra hamesa barsa hai
Ye abra hamesa barsa hai
Ye abra hamesa barsega
Ye abra hamesa barsega
Ye abra hamesa barsega
Ye abra hamesa barsega.
