

Pyar hai, pyar hai
Pyar hai, pyar hai
Pyar hai, pyar hai

Juda, juda si lag rahi ho
Kisi se nazare lad gayi kya
Ya ishq wali kuch balayein
Tumhare peeche pad gayi kya

Yah rag hai aashiqui chadta khumar hai
Yahi dil ka hai sookun yahi to karar hai

Ye pyar hai, ye pyar hai
Ye pyaar hai, ye pyaar hai
Ye pyaar hai, pyar hai, pyar hai..
Ye pyaar hai, pyar hai, pyar hai..
Ye pyaar hai, pyar hai, pyar hai..

Phool si teetaliyon ki tarah mein
To udne lagi..
Aasama se zamee aaj phir khul ke judne lagi
Muskurane ki ada bhi pehle itni katil kab thi
Bekhudi ki ye rawani tujhme samil pehle kab thi

Yah rag hai aashiqui chadta khumar hai
Yahi dil ka hai sookun yahi to karar hai
Ye pyar hai, ye pyar hai
Ye pyaar hai, ye pyar hai
Ye pyaar hai, pyar hai, pyar hai..
Ye pyaar hai, pyar hai, pyar hai..
Ye pyaar hai, pyar hai, pyar hai..

Behfooshi pighali hai saanson mein
Dil machal ne laga..
Aankhon ne aankhon se kya kaha
Jism jalne laga..
Khoye khoye hosh tere dalte hai
Mujhpe jaddu badli badli lag rahi hai
Mujhko aaj teri khushboo..

Yah rag hai aashiqui chadta khumar hai

Yahi dil ka hai sookun yahi to karar hai
Ye pyaar hai, ye pyar hai
Ye pyaar hai, ye pyar hai
Ye pyaar hai, pyar hai, pyar hai..
Ye pyar hai, pyar hai, pyar hai..
Ye pyaar hai, pyar hai, pyar hai..
