

Come on baby, you take me higher  
You are my love, my desire..

Juda, juda si lag rahi ho  
Kisi se nazare lad gayi kya  
Ya ishq wali kuch balayein  
Tumhare peeche pad gayi kya

Yah rang hai aashiqui chadta khumar hai  
Yahi dil ka hai sookun yahi to karar hai  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, pyar hai, pyar hai..  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, ye pyar hai

Phool si teetaliyon ki tarah mein  
To udne lagi..  
Aasama se zamee aaj phir khul ke judne lagi  
Muskurane ki ada bhi pehle itni katil kab thi  
Bharatlyrics.com  
Bekhuri ki ye rawani tujhme samil pehle kab thi

Yah rang hai aashiqui chadta khumar hai  
Yahi dil ka hai sookun yahi to karar hai  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, pyar hai, pyar hai..  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, ye pyar hai

Barf si pighali hai saanson mein  
Dil machal ne laga..  
Aankhon ne aankhon se kya kaha  
Jism jalne laga..  
Khoye khoye hosh tere dalte hai  
Mujhpe jaddu badli badli lag rahi hai  
Mujhko aaj teri khushboo..

Yah rang hai aashiqui chadta khumar hai  
Yahi dil ka hai sookun yahi to karar hai

Ye pyaar hai, ye pyar hai  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, pyar hai, pyar hai..  
Ye pyaar hai, ye pyar hai  
Ye pyaar hai, ye pyar hai.
