

Yedakemai Untunde Song Lyrics

Edhakemai untundhe edho chitram jarigindhe
 Epudu ledhe maaya needhe
 Katha maare poyindhe madhanam modhalayyindhe
 Ee aalochana entho baagundhe

Adhi prathisaari neevaiposthundhe
 Oka nimisham chooselogaa
 Samayaaniki ee parugelaa
 Ika aage veele ledhe

Urime manasipude egire edha layale
 Maate vinadhasale oo pillaa
 Kanule kurisenule kanule thadipenule
 Kathanam kudhirinadhe nee vallaa

Edhakemai untundhe edho chitram jarigindhe
 Epudu ledhe maaya needhe

Venakaale nee venakaale aduge saagindhe
 Manakese thanu munakese nee oohallo undhe
