

Yeh duniya yeh duniya
Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain
Yeh duniya yeh duniya
Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain
Zara palat ke dekho to
Zara palat ke dekho to
Jahan rangeen hain
Yeh duniya yeh duniya
Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain

Is duniya ke jangal mein
Sukh dukh ghode haathi hain
Koi kisi ka yaar nahin
Sab pal do pal ke saathi hain
Papa hum saare ek din mar jaayege
Haa bete sabhi sabhi aap haan

Mammy haab bete aur bhiyaa haan
Aap jhooth bolate hain

Are is duniya ke jangal mein
Sukh dukh ghode haathi hain
Koi kisi ka yaar nahin
Sab pal do pal ke saathi hain
Is duniya ke jangal mein
Sukh dukh ghode haathi hain
Koi kisi ka yaar nahin
Sab pal do pal ke saathi hain
Saathi hain
Khona hain to kho jao
Sab ko ek din jaan hain
Aansu oke taar peeke
Hasta huaa jaana hain
Yeh duniya yeh duniya

Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain
Yeh duniya yeh duniya
Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain

Sapne hain kuch yaadein hain
Kuch bahot puraane waadein hain
Dhalti huyi shaam ki
Jaane kyaa iraade hain
Sapne hain kuch yaadein hain
Kuch bahot puraane waadein hain
Dhalti huyi shaam ki
Jaane kyaa iraade hain
Tera bhi hain
Ek tera ek mere hain
Har dil mein ik savera hain
Bhool jao hum ko
Jisne tum ko ghera hain

Yeh duniya yeh duniya
Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain
Jara palat ke dekho to
Jara palat ke dekho to
Khushiyan taaz si rangeen hain
Yeh duniya yeh duniya
Dekho doorbene hain
Ek taraf se khushiyan
Door hain door hain
