

Yeh kahaan mil gaye hum
Yeh kahaan mil gaye hum
Aasmaan bhi lo hans diya

Yeh kahaan mil gaye hum
Yeh kahaan mil gaye hum
Aasmaan bhi lo hans diya
Har najaar bhi khil gaya, parbato ke raaste raaston pe hum
Chaahaton ke waaste chaahaton mein hum, chal mere sanam
Yeh kahaan mil gaye hum
Yeh kahaan mil gaye hum

Shaayad ruthega saara jahaan,
Gum ki chhayegi woh badaliya
Behakaayega yeh jahaan,saath honge hum
Aaye na duriyaan, paas honge hum, chal mere sanam
Duniya se hai bhala yeh sama, deewaare daale na darmiyaan
Dilwaalon ke liye hai saja, dekho na phulo se mehaka gulsita
Gungunaati hai hawa, saath gaaye hum
Dolegi nadi jahaan behte jaaye hum, chal mere sanam

Maana hai pyaara hai yeh jahaan, tumpe thehre phi bhi nigaah
Dil mera darta hai yahaan har lamha, tumko na kho du jaaneja
Paas mere aao tum yaar janam
Jism badalenge magar ruh wahi sanam, chal mere sanam
Yeh kahaan mil gaye hum
Yeh kahaan mil gaye hum

Parbato ke raaste raaston pe hum
Chaahaton ke waaste chaahaton mein hum, chal mere sanam
